CHANGING THE WORLD ...ONE SONG AT A TIME...

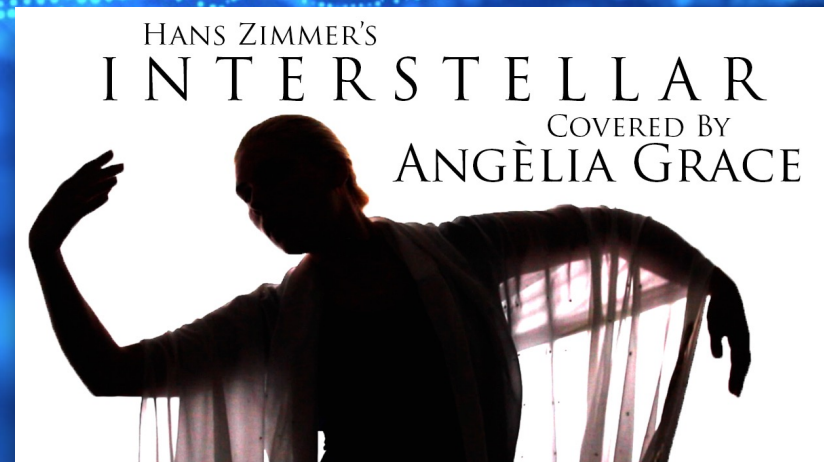

Angèlia Grace is a visionary soprano who has set her mind to create inspirational musical art with a higher purpose. Her voice and music have touched the hearts and lives of thousands of people across the globe. With her authenticity and her music she wants to inspire mankind to be the light they wish to see in the world.

“SHINE YOUR LIGHT” is her motto in life. With this simple but profound message she aspires to raise the awareness that every person is special, unique and equally important so they will discover their power within to make a difference in the world themselves. She hopes that her work will inspire others to leave their own transformational legacy behind for the next generations to come.

"If you dare to shine your light, you will inspire others around you to do the same. This will result in a global collaboration as life was originally intended. It will push humanity forward so each individual will become a transformational leader for themselves. We should strive to create freedom and space for everyone to manifest their own inner greatness. Together we can make this world a better place. It will be a world where we will inspire each other to be the best possible version of ourselves simply by being and playing our humble part in this grand play called "Life". All we have to do is to simply shine our light" she explains. Angèlia Grace is dedicating her entire life to turning this vision into a living reality.

YouTube changed the musical career of Angèlia Grace forever. What began as a virtual platform for practicing her art, led eventually to working with ground-breaking talents in the film, music and game industry.

When Angèlia uploaded her first soundtrack cover of the soundtrack “Time” from the movie “Inception” she received an overwhelming global response. This video went viral and became an instant online sensation among many who love epic orchestral music. With more than 200,000 views and counting this video is getting her more and more attention from music and film producers.

Her biggest inspiration for her own music is Hans Zimmer. His film scoring works inspired her to combine her love for movie soundtracks with her own voice. Her dream is to one day work with Mr. Zimmer and other Hollywood film music composers.

CRYSTAL VOICE

DEBUT ALBUM IN THE MAKING

Angèlia Grace is currently in the process of producing her debut album “CRYSTAL VOICE”. This album will be her first album where she will be releasing original music with lyrics.

For many years Angèlia was known for singing without words. Her debut album “CRYSTAL VOICE” will be something no one has ever heard of her before. For the first time she has written and composed her own music with lyrics. Her long awaited debut album is expected to be released by the end of 2016 or the beginning of 2017.

CRYSTAL VOICE will be an album where she will share her personal stories in song. She leaves a hint of mystery by not telling exactly what each song means to her so the listener will get the

opportunity to relate to the words that have been written and let their own experiences create the actual story. Her goal with this album is to lay the foundation for a long lasting connection with her listeners and followers.
